The jurying process is seen as an opportunity for constructive feedback to you, the artist. While there is an element of being "judged", we take our mission seriously to support the arts and artists. We encourage you to tell us as much as you wish about your work and the processes you utilize. We pledge to be earnest in our feedback to you and to give you every opportunity to be a member of our cooperative. The jurying process is important and we feel it is supportive in maintaining the integrity of work in our Gallery. Please take the time to read over the Jurying criteria.
